STAGE	THE PARTNER RECEIVES	WHEN
Quick wins	**3, at no cost**	At the start
Audit	—	Credited to the implementation

Ongoing support	**5%**	Every 3 months, within 7 days of the close

THE RULES

What counts as an introduction	You introduce us directly to the owner or decision-maker; the business knows and agrees; it was not already talking to us; implementation starts within 180 days.
Basis of calculation	The commission is calculated on what the client actually pays. Website, assistant, automations and monthly fees are part of the implementation price, not charged separately.
No fixed amounts	Each implementation has its own value, set by the size of the business and the proven impact.

Duration	12 months, renewing automatically. Either party can end the partnership in writing with 30 days' notice; commissions on businesses already introduced keep being paid.
Data and trust	We never ask for contact lists and never contact anyone without consent. Client accounts and data stay in their name.
What we do not promise	We do not promise results before measuring them. Every audit starts from a baseline.
