PACHECO STUDIOS.

OCTOBER 2026

PARTNER PROGRAMME

INTRODUCE BUSINESSES. EARN FROM EACH ONE.

Pacheco Studios is an AI systems consultancy: we find where a business loses requests, time and money, and build the system that fixes it. Our partners are people who work with companies every day and introduce us to the ones who need it.

3

quick wins implemented in your business, at no cost

15%

of the implementation value, for every business you introduce

5%

every 3 months, for as long as we work with that business

01 · YOU RECEIVE FIRST

BEFORE WE TALK ABOUT COMMISSIONS, WE IMPROVE YOUR BUSINESS.

3 QUICK WINS, AT NO COST

We choose them together after the triage; the triage we bring you already shows at least one. Some examples:

- **QR poster for Google reviews**
  Happy clients leave a review in 20 seconds.
- **Complete Google Business Profile**
  Hours, services, real photos and a contact button.
- **Quick replies on WhatsApp**
  Repeated questions get the right answer in one tap.
- **Request form**
  Requests arrive complete, without five back-and-forth messages.
- **Automatic message after the service**
  Asks for the review at the right moment.
- **Shared request tracker**
  Every request has an owner and a status.

In return, in this order: 1) when we apply the 3 quick wins, a first online testimonial and recommendation, as a thank-you; 2) then word-of-mouth recommendations; 3) once a month, you feature us in your content.

THEN, FOR EVERY BUSINESS YOU INTRODUCE

01 — YOU

You introduce us

To a business losing requests, time or money, with the owner's consent.

02 — NO SEPARATE COST

Triage and audit

We find the most valuable leak. The audit is not charged separately: it is credited to the implementation.

03 — 15%

Implementation starts

The business decides to work with us. You receive 15% of the implementation value.

04 — 5% / QUARTER

We stay with the client

For as long as we work with the business, you receive 5% of what it pays us, every 3 months.

02 · WHAT YOU CAN EARN

EVERY BUSINESS IS DIFFERENT. THAT IS WHY THE COMMISSION IS A PERCENTAGE, NOT A FIXED AMOUNT.

The implementation value depends on the size of the business and the impact we prove. Two examples (in Romanian lei):

A BUSINESS TURNING OVER 50,000 LEI / MONTH

Estimated implementation
≈ **20,000 lei**

You receive 15%
3,000 lei

Then, every 3 months
5% of what it pays us

A BUSINESS TURNING OVER 1,000,000 LEI / MONTH

Estimated implementation
≈ **100,000 lei**

You receive 15%
15,000 lei

Then, every 3 months
5% of what it pays us

THE QUARTERLY SHARE

FOR EVERY 10,000 LEI
500 lei
paid by the client in a quarter

WHILE WE WORK
5%
with the business you introduced, no end date

EVERY 3 MONTHS
Report
with what the client paid and your commission

One possible year: one small and one large business introduced = **18,000 lei** from implementation alone, plus the quarterly share.

Worked examples with approximate values, not promises or prices.

03 · WHY IT IS WORTH IT

YOU EARN WITHOUT DELIVERING. YOUR CLIENTS GET A SYSTEM THAT WORKS.

WHAT YOU GAIN

- A real commission on every implementation, not a token amount
- Income every 3 months, while the client stays with us
- Your clients thank you for the introduction
- We handle everything: triage, audit, implementation, support
- It costs nothing and there is no exclusivity

WHO TO INTRODUCE

- Businesses receiving requests by WhatsApp, phone and e-mail
- Owners answering the same questions every day
- Businesses growing faster than their operations
- Teams copying data between spreadsheets and tools

HOW TO INTRODUCE US (PICK ONE)

WhatsApp group

A group with the owner and us, and you introduce us in two lines.

The contact, with consent

Send us the name and phone after telling the owner we will call.

Your name

Give them our number; they tell us you sent them.

MESSAGE READY TO FORWARD TO THE OWNER

Hi! I recommend Pacheco Studios (Tomás). They look at how requests come into your business and show you, on one page, where they might get lost and what is worth checking. Do a triage with them: +40 723 098 556.
